

2012 Artist Information

Arts Festival in the Forest
August 11 and 12, 2012

Mary S. Young State Park, West Linn, OR

We are presently accepting applications for the tenth annual Art Show held in the rustic surroundings of Mary S. Young Park in West Linn.

This event is co-sponsored by the non-profit Arts Festival in the Forest organization and The City of West Linn. The show has proven to be a premier venue for unique artists of all media including visual and musical performers. It is one of West Linn's most well attended events of the summer!

We are looking for whimsical and unique art from every medium that is made with attention to quality. The Arts Festival in the Forest is a community event and is set among the trees, so local artists and nature or environmental themes are a good fit and non-traditional media are appreciated. We plan to accept 90 artists this year. Our jury will make the final selection.

Application Fee and Deadlines:

- Application fee is waived for complete applications received by March 16 , 2012.
- Deadline is May 4, 2012. Fee is \$20 payable by Paypal.
- Artists will be notified of acceptance by May 18.
- Booth fees for accepted artists are due by June 15, also via Paypal.

Booth fees for two days:

10' x 10' \$175

10' x 20' \$325

Juried artists may share a booth with no more than 2 artists per booth. A limited number of double (10' x 20') booths are available, so we recommend you reserve your double booth ASAP.

All work must be original; prints of original work are acceptable. The artwork must be the same or similar to the photographs submitted for jury. Artists will not be allowed to display other types of work unless approved by the artist committee. For consideration, all artists, past & present, must include 4 images of your work, including at least 1 of your booth setup. Images must be loaded on Flickr.com and tagged "AFITF2012"

Each year, the Arts Festival in the Forest produces and mails a postcard to let art lovers know about the event. We ask that you share your mailing list with us, and we'll cover the postage to your customers. We respect their privacy. We will only use this list for Arts Festival in the Forest events, and will not disclose information to any third parties. We will also provide postcards for you to distribute at your summer shows, and electronic flyers for you to email and post.

Our silent auction helps promote the festival and keep our booth fees low. We appreciate artist donations of your work at any value.
